

Hillingdon Street Angels

11 November 2009

Dear Prayer Partner,

Thank you so much for signing up to become a prayer partner with the Hillingdon Street Angels ministry. It's hard to believe that this Friday will be the 6th evening that a team of street angel's has been out ministering to folk between 10.00pm and 4.00am.

We so need people like yourselves who will support our angels in prayer as they go out week by week. The Street Angel's are so grateful for your thoughts and prayers.

I just wanted to bring you up to date with a few things to help you to be effective intercessors:

- Since the commissioning service the number of Street Angels has been reduced due to Health and Employment issues. This highlights the need to have a larger pool of street Angels.
- Pray for an effective recruitment campaign and the organisation of another series of training sessions. We would want to have at least 10 new recruits to make the training viable.
- Please pray especially for Christian men to volunteer to be trained as Street Angels.
- We have already been asked if we could have a team of Street Angel's out on a Wednesday evening, which is Student night. Pray that we might know how to respond to this request and how to deploy our Street Angels.

- **We praise God for the financial support we have received. So far our income matches our expenditure, but as we look to expanding the teams, we will need to see a wider support base.**
- **We need to find someone to act as the administrator for the Hillingdon Street Angels ministry. This will be a volunteer position. If you know of anyone who may be suitable, please share this need with them and ask them to contact Rev. June Hughman at St Margaret's church.**
- **Pray for the teams as they go out on Friday evenings especially as the weather has begun to get wintery. Pray for stamina.**

On a practical note. At a recent meeting with our Street Angel's Team leaders the question was raised whether it would be possible for our Street Angel's to text prayer partners with requests for prayer. We don't expect you to be sitting up every Friday evening, but if you are willing to receive texts please let me know.

As we have lost 2/3 street angels for a period, we will need to reorganise our teams. Pray for wisdom in doing so. Once the teams have been reorganised I will send you another letter letting you know which teams are out on a particular Friday evening.

Thanks again for being part of our team.

Yours in Christ

Peter Lillystone
